Subject: Renewable Resource Grant & Loan Application

Dear Committee Members,

Please accept this addendum to our May 15, 2008 application for a Renewable Resource Grant on behalf of the Garfield County Conservation District and the Mosby Musselshell Watershed Group. This addendum is being submitted due to a development that has occurred after the grant deadline in regard to what may be the most economical location for the Mosby Musselshell Watershed Group's water storage project.

Thank you for your consideration and time in regard to this project, and with the needs and concerns in building a stronger Montana.

Sincerely,

Monte Billing
